300 €

### DJ & Karaoke Service 3: 'Linea' - High End Power PA:

Depending on offer

DJ Lutz is going new ways with the German Fohhn Linea system, to get sound perfectly to the audience. The goal is not to have the loudest sound, but to rise the quality at an adequate level from the front to the rear. The LX-100 speaker series can handle peak levels up to 1600W. These systems are to be combined with the XS-10/XS-20, XSP-20 subwoofers and are intended to be used for up to 500 persons (dinner), 300 persons lounge, party/promotion/outdoor about 200 persons.

## DJ Lutz - Light and further extras

**Additional screen 32" 81cm (LG)** for karaoke, music videos and presentations (top effect for the audience), singing from up to 5m distance. Will be used with computer. Connectors: AV/Scart/RGB/HDTV. Complete with all cables up to 10 meters: 30€
